It helps you convert all kinds of video formats for all kinds of portable media players including Apple products such as iPod, iPhone, iPad; Sony products such as PSP, PS3; Android products and Microsoft products.. And it supports ripping audio files from CD directly as well! Any Video Converter can easily download videos from 100+ video sharing site, including YouTube, Facebook, Dailymotion, MetaCafe, Vimeo, Howcast, etc in a step by pasting URL links.. Bottom Line This app works great as a converter, but if you wanted to use it as a video player, too, you may be out of luck.. Cons Buggy playing: While the conversion side of the app works fine, there is also a Play tab that you should be able to use to play any video from your computer, and even those that you've downloaded through the app but not converted yet.. Any Video Converter Freeware is a totally free all-in-one video converter, audio converter, CD ripper, video downloader, video editor and DVD creator.. But when we tried out this feature, all we saw was a blank screen, even though the controls seemed to indicate that the video was playing.. Pros Tons of options: You're almost guaranteed to find the right format in this app's long list of options. cea114251b [Mcsa Books Pdf Free Download](#)
