[Xforce Keygen AutoCAD P ID 2017 Portable](#)

The screenshot shows the Autodesk Licensing - Activation Options window. At the top, it displays the Autodesk logo and the URL **Freehack3g.blogspot.com**. The main heading is **Product License Activation Options**. The product is identified as **Autodesk AutoCAD 2014**. The request code is **1PAD XS8V AXEC UE76 D6VY YG5V 3X9II LDVZ**, which is highlighted with a red box. Below this, there are instructions and radio buttons for activation options:  Connect now and activate! (Recommended) and  I have an activation code from Autodesk. A grid of 16 input boxes for the activation code is visible, along with a 'Clear All' button and 'Back', 'Close', and 'Next' buttons at the bottom.

Overlaid on the right is the **X-FORCE** keygen window. It features a purple lightning bolt background and the text **X-FORCE**. Below the title bar, it says **Autodesk 2014 products**. There are two input fields: **Request:** with the text **Generate Request here** and **Activation:** with the text **And press Generate**. Below these are three buttons: **Patch**, **Generate**, and **Quit**. At the bottom, it says **SMOKING THE COMPETITION!**. Red arrows point from the request code box in the Autodesk window to the 'Request:' field in the X-Force window, and from the 'Generate' button in the X-Force window to the 'I have an activation code from Autodesk' radio button in the Autodesk window.
